### About us

We are a diligent company that provides Shipchandling services to Clients all over the World, with the United Arab Emirates serving as our main hub to diversify our activities. We provide On and Offshore supplies, with a clear focus on Client Satisfaction. Our purpose is to maintain Safe, Environmental friendly operating practices that comply with applicable National and International Codes and Regulations, Relevant Standards, Guidelines and Client requirements. Another important aspect we showcase for gaining Customer Trust is to provide Quality and Timely delivery, Ethical Business Policies and a comprehensive understanding of Customer Requirements

### History

Al Baraka Group was founded by Mr.Moosa Mohammad Aqil Abbas (Chairman), who built a massive Commercial organization in the Trading and Shipchandling field decades ago. Since 2010, Al Baraka Shipchandling services have been a by-product of the Company's growth. We were then acknowledged as one of the Fastest-Growing Companies in the Marine Ship Supply Industry with the best Quality products supplied at most Competitive Rates. We have achieved remarkable growth while meeting the High Standards and Requirements of both Local and International Clients.

### Our Group

We have a fully committed Team of people working for us who are the backbone of our Company's success. Apart from the fact that they actively work to make this happen, we ensure that Employees have a Safe and Healthy Working Environment, with a focus on Quality, On-Time Deliveries, and the best After-Sales Service in the Industry.
